**Fashions “Through the Decades”:**

Unable to secure a vendor this year to do a Fashion Show due to Covid, we thought why not be our own vendor asking our attendees to pick any decade from the 1930's to 2020's and dress in that era's fashions for a Fashion Show. All who participate will be entered into our contest for the “Best Dressed for the Decade”. Please make the reservations check-in table aware of your entry in the “fashion show” contest.
