### Beta Sigma Phi Tampa

## Sponsorship 2023

Beta Sigma Phi is an International Women's Organization founded in 1931 in Missouri for the social and civic development of its member. For over 90 years Beta Sigma Phi (BSP) has grown to over 150,000 members representing ten countries around the world and locally with over 7,200 chapters. BSP members are encouraged to grow personally while participating in the growth of others. It is also known as the "Friendship Organization " because of the diverse ages and educational backgrounds of its members.

BSP means many things to many women. To all of its members, each in her own way, BSP has become an important part of her life. To some, it means a richer social life, from informal get-togethers to gala affairs that often include husbands and families. To still others it means the inner satisfaction of service to their community, their nation, and the world. Membership in BSP offers opportunities to develop lifelong friendships.

BSP Tampa City Council (TCC) was established in 1949. For 73 years the chapters in TCC have succeeded in recruiting new members and strengthening the relationships between chapters. The purpose of TCC is to promote inter-chapter harmony and to provide a way for chapters to coordinate their planning and activities in citywide events. Each year a State Convention is held in a different city. Tampa City Council will be hosting the Convention in 2023. The convention will be at the Hilton Tampa Airport Westshore on June 2-3-4, 2023. Tampa City Council has invited Chapters from all over Florida and the surrounding states to join us at a "Weekend on the Orient Express".

We are offering Sponsorships to retail and service small businesses. We are expecting around 250 to attend the three day convention. There are four sponsorship packages that offer different levels of exposure and participation. We look forward to finding the right advertising package for your business.
