

Your Founders Day Committee needs your help!

There are many children in a local Seminole County Middle School who have a dire need for some new under garments.

We are requesting donations of any new, unused underwear and socks for both boys and girls, youth sizes (S-XL).

Bring donations to any council meeting and we will take them and get them to the school as quickly as possible. However, if it would be easier, we can have a sister come and pick up your items possibly during one of your chapter meetings. To schedule a pick up, please send an email to

Theresa Eastman at teastman@bellsouth.net

or text her at 407.466.2855

Let's rally around these children and help them to feel our love in the form of clean, fresh undergarments.

Thank you!

We Are Thy Sisters,

Delta Eta Master and

Your Founders Day Committee
